Dr. Vishala B.K. - Best Librarian Award by the Karnataka State Library Association (KALA)

PRESS PEERSPECTIVES

Cyber crimes: ACP suggests simple preventive steps

Through word phone and...
The ACP suggests simple preventive steps to avoid cyber crimes. He said that the most common cyber crime is phishing, which is the act of stealing sensitive information by pretending to be a trustworthy entity. He advised users to be cautious of emails and websites that ask for personal information and to use strong passwords.

Bhaskar Shetty m suspects in police

Bhaskar Shetty m suspects in police...
The police are investigating the case and have identified several suspects. They are working to gather more evidence and are expected to make an arrest soon.

Learn to respect, value to develop knowledge society...
The article discusses the importance of respecting and valuing knowledge in a society. It emphasizes the need for education and the role of libraries in promoting knowledge and learning.

3-day library meet begin...
A three-day library meeting is set to begin. The meeting will focus on the latest trends in library science and the role of libraries in the digital age.

Library is a living organism

Library is a living organism...
The article describes a library as a living organism that grows and changes over time. It highlights the importance of continuous learning and the role of libraries in providing access to information.

Untimely training will affect results: teach...
The article discusses the importance of timely training for students. It states that if training is delayed, it will negatively impact the results of the program.
